## Company 3: Meta

**Website:** <https://about.meta.com/>

**Job Site:** <https://www.metacareers.com/jobs>

**Glassdoor:** <https://www.glassdoor.com/Reviews/Meta-Reviews-E40772.htm>

## Company Description:

Meta Platforms, doing business as Meta and formerly named Facebook, is an American multinational technology conglomerate based in Menlo Park, California. The company owns Facebook, Instagram, and WhatsApp, among other products and services. Meta was once one of the world's most valuable companies, but as of 2022 is not one of the top twenty biggest companies in the United States. It is considered one of the Big Five American information technology companies, alongside Alphabet, Amazon, Apple, and Microsoft. As of 2022, it is the least profitable of the five.

Meta's products and services include Facebook, Messenger, Facebook Watch, and Meta Portal. It has also acquired Oculus, Giphy, Mapillary, Kustomer, Presize and has a 9.99% stake in Jio Platforms. In 2021, the company generated 97.5% of its revenue from the sale of advertising.

In October 2021, the parent company of Facebook changed its name from Facebook to Meta Platforms, to "reflect its focus on building the metaverse". According to Meta, the "metaverse" refers to the integrated environment that links all of the company's products and services.

## Interview Process:

- Step 1: Resume screen
- Step 2: Recruiter call
- Step 3: Phone screen(s)
- Step 4: Onsite interviews
- Step 5: Debrief
- Step 6: Candidate review / hiring committee
- Step 7: Salary negotiation

**My opinion:** The company owns Facebook, Instagram, and WhatsApp, among other products and services and working for any of those products is like a dream to me.

## Company 4: Microsoft

**Website:** <https://www.microsoft.com/>

**Job Site:** <https://careers.microsoft.com/>

**Glassdoor:** <https://www.glassdoor.com/Reviews/Microsoft-Reviews-E1651.htm>

## Company Description:

Microsoft Corporation is an American multinational technology corporation producing computer software, consumer electronics, personal computers, and related services headquartered at the Microsoft Redmond campus located in Redmond, Washington, United States. Its bestknown software products are the Windows line of operating systems, the Microsoft Office suite, and the Internet Explorer and Edge web browsers. Its flagship hardware products are the Xbox video game consoles and the Microsoft Surface lineup of touchscreen personal computers. Microsoft ranked No. 21 in the 2020 Fortune 500 rankings of the largest United States corporations by total revenue;<sup>[2]</sup> it was the world's largest software maker by revenue as of 2019. It is one of the Big Five American information technology companies, alongside Alphabet, Amazon, Apple, and Meta.

## Interview Process:

- Step 1: Resume screen
- Step 2: Recruiter phone screen (30-45 min)
- Step 3: First-round interviews (1-2 calls, 45-60 min each)
- Step 4: Onsite interviews (4-6 rounds, 45-60 min each)

**Relevant Links:** <https://igotanoffer.com/blogs/tech/microsoft-engineering-manager-interview>

**My opinion:** One of the best places to work as a software engineer.

## Company 5: Slack

**Website:** [www.slack.com](http://www.slack.com)

**Job Site:** [www.slack.com/careers](http://www.slack.com/careers)

**Glassdoor:** [Working at Slack | Glassdoor](#)

## Company Description:

Slack is an instant messaging program designed by Slack Technologies and owned by Salesforce. Although Slack was developed for professional and organizational communications, it has been adopted as a community platform. Users can communicate with voice calls, video calls, text messaging, media and files in private chats or as part of communities called "workspaces". Slack also uses IRC-style features such as persistent chat rooms (channels)

organized by topic, private groups, and direct messaging. In addition to these online communication features, Slack integrates with other software.

One sentence to describe: It's an instant messaging app developed for professional and organizational uses.

## **Interview Process:**

- Step 1: Resume screen
- Step 2: Recruiter call
- Step 3: A technical exercise
- Step 4: A phone call with the hiring manager
- Step 5: An onsite interview
